SIR,

I have the honor to submit herewith for sanction of Government an arrear claim of Malnad Cash grant due to the temple of Sri Vinayaka Devaru at Koppalagadde in Thirthahalli Taluk for a period of 24 years from 1906-07 to 29-30 at Rs.1-7-0 p.a. It is reported by the Deputy Commissioner in his letter dated 22nd January 1931(copy enclosed) that the grant fell into arrears as the party Shama Bhatta did not claim it owing to the loss of his title-deed.

The party is reported to have applied for a certified copy of the deed, and is said to have personally drawn the grant last on 11-3-19 Shambhatta is said to have been performing puja satisfactorily and keeping the temple in good condition. As the object of the grant is being duly fulfilled during the period of claim, sanction of Government may kindly be obtained for this belated claim, condoning the delay in preferring the same.

The connected records received with the Deputy Commissioner's letter accompany for reference and obliging return when done with.

Letter No.Muz.I.C.1 03/30-31 dated 22nd January 1931 from the Deputy Commissioner, Shimoga District to the Muzrai Commissioner in Mysore.

In forwarding herewith a bill in triplicate for Rs.34-8-0, - being the malnad cash grant due to Koppalagadde Sri Vinayaka devaru in the Tirthahalli, taluk, I have the honor to state that the Muzrai Amildar, who inspected the institution, has reported that pujas it is being done regularly in the temple by Shambhatta and that it is - endowed with a malnad cash grant of Rs.1-7-0. From the statement of the villagers, it is also seen that the temple is in a fairly good condition and that Shambhatta is performing the puja satisfactorily. They are of opinion that the arrears of cash grant -- due to him may be paid to him. Shamabhatta, the archak as stated, as he lost the title deed some years back, he did not claim the -- amount now in arrears. The Amildar, Tirthahalli taluk, reports -- that the arrears of the malnad cash grant are due from 1905-07 up to date, at the rate of Rs.1-7-0 per year. The bill is accordingly prepared for Rs.34-8-0 being the grant due for 1906-07 to 29-30.

I therefore request that the bill may kindly be sanctioned. The connected records accompany.

SIR,

With reference to your letter No.42/Muz.324-30-2 dated 9th July 1931 enquiring if any record of arrears of Malnad Cash grants to be paid is regularly maintained from which cases of non-payment can be easily verified, I have the honor to state that no such record is maintained in this office.

The Malnad Cash grant acquittance Rolls maintained in Taluk offices are the only records depended upon in settling the question whether a claim is due or not and the practice, so far has been, to sanction such bills on the strength of the non-payment certificate furnished by the taluk. Kind attention is invited to the detailed particulars of the lumpsum allotment of the Thirthahalli Taluk furnished (over leaf the bill) by the taluk Amildar with reference to the register maintained for the purpose in his office.

In these circumstances sanction of Government may kindly be obtained for this claim. The entire file of records received with your above letter is resubmitted for kind reference and return.

U.

Letter No.A.I.677 dated 22/23rd May 1930 from the Comptroller of Mysore, Bangalore to the Revenue Commissioner in Mysore, Bangalore.

In the marginally noted Government orders arrear potgi claims relating to the various periods as long ago as 1908 onwards have been sanctioned. Such claims are now on the increase in spite of the principles laid down in para 16 of G.O.No.Fl.648-707/G.F.224-27-1 dated 24th July 1928 and the object of Government in discouraging the consideration of very old arrear claims in cases other than very exceptional ones, is practically being defeated, I have in these circumstances the honour to request you to kindly state if (1) in all the taluk potgi registers an analysis of the outstanding payments at the end of each year by individuals is maintained and whether payments subsequently against these outstandings are being noted against the individuals concerned and the date of payment also noted and the balance after each payment carried forward.

(2) If such a record is kept whether it will be convenient for purposes of verification to obtain an extract of this analysis together with a statement of unpaid balance of sanctioned scale for the respective years to which the claims relate.

(3) If it is convenient to base the sanctions accorded as recommended to Government on the basis of these two statements and on the results of the verification of the two balances.

2. If the procedure referred to above is already in force, suitab amendments will be made to the instructions contained in the Account Code. Otherwise needful instructions will have to be issued now and included in the Code.
